Dear Hiring Manager,

I am writing to express my strong interest in working in your urgent care center as a Physician Assistant. As a recently graduated physician assistant student from CUNY York College, I possess a wealth of experience that will make me the ideal candidate for this role. I would be delighted to bring my skills to your healthcare team.

As indicated in my attached resume, I have had a great deal of experience in the acute care setting over the course of many years. I was a first responder from 2016-2018. I was also a medical scribe at CityMD, which taught me a slew of skills and made me very efficient with EMRs like ECW and EPIC. Recently I have completed extensive training at NYPQ in the emergency department and at an urgent care on my ambulatory medicine rotation. These experiences have given me the confidence to be a compassionate and capable health care provider in a fast-paced environment.

I look forward to speaking with you in further detail about the opportunity to work at your urgent care. Please do not hesitate to reach out to me by email or by phone.

Sincerely,

Gagandeep Munday
